Flower Table

A playful bloom that
brightens up any room.

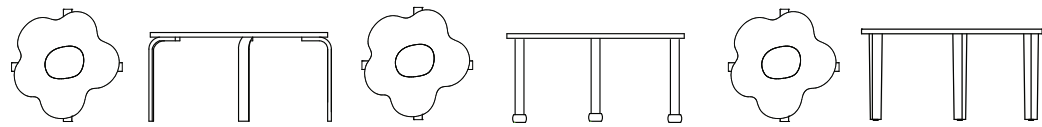

Our Flower Table, with its soft round corners, perfectly captures this technique and the familiar organic shape of a blossoming flower. Two laminate colors provide the center of the flower and an alternative to a monochromatic table surface. Lorca, Plover and Kestrel leg options are available in 20", 24", 26" heights, allowing this piece to integrate perfectly into any setting. Pictured above: Flower Table with Plover leg and Plover Stools.
