Leaf Table

Branch out from
the ordinary.

Leaf Table

Our Leaf Table, with its soft round corners, perfectly captures the organic shape of a falling leaf. Two laminate colors provide the sides of the leaf and an alternative to a monochromatic table surface. Lorca, Plover and Kestrel leg options are available in 20", 24" and 26" heights, allowing this piece to integrate perfectly into any setting. Pictured at right with Plover leg.
