Appliques

Mix Imprinted Appliques with plain.

At the Billie Jean King Library in Long Beach, California we designed, illustrated and fabricated this custom portal at left, showing another way of utilizing our ImPrinted applique technique with a solid maple base. Pictured below, Sunburst Applique and custom Heron for the Montclair Community Branch Library.

The San Ysidro Public Library in California features standard and custom ImPrinted Appliques (including the sign), for their children's room entryway. The upper appliques have the wood dowel stand-off while the Cactus is attached directly to the wall. Also pictured is a Whistler Ottoman with custom cacti divider, Kestrel Chairs, Kestrel Tables, Zetty Benches and End Panels.
