 CBS NEWS

“Here, I can turn my head for a second, finish up paperwork, respond to emails and just get things done without the worry of her crawling away.”

“Makes things much, much easier. And they're close enough where I can just reach over, but I can still do what I need to do on the computer.”

“Bravo on creating this little stations, solving a problem that has never been addressed before. It’s such a great idea.”

[CHECK OUT THE CLIP](#)

Newsweek

“This is how we strengthen families and create a culture and community that values children.”

[READ THE ARTICLE](#)

The New York Times

“Seeing a place and space designed for children and parents seemed revolutionary!”

[READ THE ARTICLE](#)

GMA

“It was just so simple and intuitive, and it’s one of those things where you stare at it and you’re like, how is this not everywhere?”

[READ THE ARTICLE](#)

TMC

“We further hope these workstations—and the spirit of service and caring inherent in their design—will inspire libraries to continue to support caregivers and little ones while they learn, work, and play.” [READ THE ARTICLE](#)

©CBS MORNINGS

“It’s for any child you have to – you know what’s it like holding a child while you’re trying to eat or while you’re trying to type. I think that’s very nice! Really cool.” [CHECK OUT THE CLIP](#)

BUILDING DESIGN
+ CONSTRUCTION

“The workstations are the perfect remedy for squirming, restless children and toddlers.” [READ THE ARTICLE](#)

BuzzFeed

“This honestly made me tear up. Six years as a library clerk, you know how many moms I saw trying to hold a baby and type a resume at the same time?” [READ THE ARTICLE](#)

“This almost makes me want to cry. God bless libraries. To be able to put your little one down and complete a resume or job application or whatever you need to do because you don’t have a computer or internet at home.” [READ THE ARTICLE](#)

INDEPENDENT

“Clearly not just for babies; there are story prompts & a simple maze for young children to entertain themselves in safety while caregiver works. Smart, inclusive workspace.” [READ THE ARTICLE](#)

“The reactions have been a deluge of parents and caregivers of young children saying they wish they had these when their kids were young.” [CHECK OUT THE CLIP](#)

MOTHERLY

“Libraries often play an essential role in the lives of parents, caregivers, and young children because they’re always a model for innovation and inclusivity. This type of workstation is just wonderful.” [READ THE ARTICLE](#)

Fatherly

“It’s not an easy juggle, but having accommodating workspaces, like the desk at the Henrico County Public Library, could make all the difference in the world.” [READ THE ARTICLE](#)

CURBED

“Wray remembers how, within the first hour the library had opened, she went upstairs and discovered that a mom of two had already set up shop at the desk, right in the midst of the grand-opening party.” [READ THE ARTICLE](#)

TMC

“I think this has resonated with many people, because they can relate, juggling all these things in our busy lives.” [READ THE ARTICLE](#)

BUSINESS INSIDER

“The single mom behind it says she wanted the library to serve entire families.” [READ THE ARTICLE](#)

GOOD HOUSEKEEPING

“Working parents, how much of a lifesaver would this be for you?!” [READ THE ARTICLE](#)

THE IRISH TIMES

“A desk, no matter how innovative, isn’t going to solve all of the problems that working parents face. But as a visual signal and gesture of solidarity to those of us trying to do it all, often all at the same time, I suspect many would welcome it.” [READ THE ARTICLE](#)

marie claire

“It’s amazing to be able to access the computer while my daughter is next to me, busy and completely protected.”

“Don’t give up on adult stuff — at these places, baby can come too.” [READ THE ARTICLE](#)

“Everyone understands the challenge even better now after the pandemic. How do you balance working on your computer if you have a toddler who can’t go to daycare that day?” [READ THE ARTICLE](#)

The Washington Post

“It was so beautiful,” Witcher said. “It just made my heart melt. Even if it was only for 15 minutes, I knew I could still get on a computer to do something.” [READ THE ARTICLE](#)

“Implementing these carrels in more public libraries will also send a message to visitors that parents and caregivers are welcome, and in its own way help unburden working parents mentally and emotionally, too.” [READ THE ARTICLE](#)

[READ THE ARTICLE](#)

CORE77

“The staff noticed that parents with toddlers or infants in strollers had no easy way to use the library’s adult reading room computer workstations.” [READ THE ARTICLE](#)
