Kestrel Child Tables

The Kestrel Table is a classic design with a North American solid maple leg that is squared and tapered. A wide range of finish colors makes specifying this table a snap. Edge styles include: laminate, PVC, maple edgebanding, and solid wood edge. See our Price List for full shape and size offerings. The Kestrel Child Tables come in 20", 24" and 26" table heights.

Kestrel Child Perimeters

The charming Kestrel Perimeters are available with Quack, Scooter, Bird and other perimeter shapes. The perimeter shapes pictured may also be applied to other products, such as book bins or case goods. Custom perimeter designs may also be specified.

ImPrinted Kestrel-Child

ImPrinted chairs combine the beauty of wood with surface design that creates a dynamic interplay of line, color and form. Graphics are printed on the raw wood and then top coated. Saturated color and beautiful wood grain offer up a fresh and playful approach to seating. Standard TMC images are shown below, however custom images are also an option.
