Who We Are

We are a dedicated group of artists, woodworkers and engineers who are passionate about making furniture that is strong in design and craft. Furniture that will stand the test of time both visually and in quality. From backgrounds in fine art painting to theater design and illustration, our team is an eclectic mix of talent and passion. We are loyal to the basic tenets of good design, which begins when pencil meets paper in a sketchbook. We value quality craftsmanship and innovation. Our factory, located in Grand Rapids, where all of our furniture is proudly made, has over a century of combined experience, many of our team there are second and third generation woodworkers. We care deeply about providing well-built, well-engineered products that inspire and delight and are proud members of USGB and BIFMA.

Eisenhower

Beautifully turned and tapered solid wood legs gives striking visual appeal to the Eisenhower Lounge and Occasional Table Collection. The scale of the Eisenhower Lounge is just right for a number of applications. Its supportive seat provides the utmost comfort. Tables are available in maple or walnut veneer tops or laminate. A solid wood reverse chamfer edge gives this table a gorgeous perimeter. Other edge styles include maple edgeband.

Vancouver 2 Lounge Collection

Vancouver 2

Pictured: Vancouver 2 Lounge Chair with tapered wood leg, Whistler Ottoman, Eisenhower Table and Ode Creative Screen - Dots.

The Vancouver 2 Lounge Collection is a visually light-weight lounge offering. The arms of the Vancouver 2 are a comfortable height and it is offered with squared metal legs for a modern, contemporary look, or a gracefully turned wood leg for a beautiful mid-century seating option. The Vancouver 2 Lounge Collection also includes benches in two and three seater versions. For the coordinating tables to this Collection please refer to page 44.

with North American
hardwoods.

Pictured to the left is our Vancouver 2 Bench which offers a fully upholstered bench option, perfect for main lobbies or other common areas. Available in a squared metal leg or tapered solid maple leg, also in two or three seater lengths.

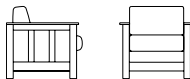

Algonquin

The Algonquin Lounge Collection is classic and speaks wood. Crafted in Michigan this collection is comprised of chair, settee, sofa and occasional tables. Side panels can be plain, slatted or adorned with selections from our Design Portfolio. Custom designs are also an option. A perfect solution for libraries, lobbies and boutique hotels.

Lake + Puddles

Pictured with Whiteboard Table and Ode Creative Screen - Vera

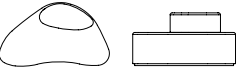

Lake + Puddles

Inspired by the fluid shapes of Michigan's many beautiful lakes, this eye-catching seating solution is breezy and confidently hip. Contemporary in appearance and organic in form, the Lake Lounge reflects the contours and shapes created by the natural ebb and flow of lakeshore tides. Like the lakes that inspire them, these lounges are bold and striking, providing a comfortable but firm seating option for interiors such as hotel lobbies, public spaces or the intimate nook. Flexible and amorphous, the Lake Lounge can be paired with the Lake Bench or Puddle Stools to create a beautifully dynamic and versatile seating environment. Laptop and occasional tables are also part of this collection.

The Plover Lounge is a lightweight and exceptionally comfortable seating option. Beautifully shaped, with bent plywood legs on both the Lounge and Occasional Table provide a sophisticated appearance.

Whistler Modular

Casual and versatile, the Whistler Collection has a lot to offer. Six leg styles, wedges, settees, sofas, benches and ottomans make it an easy spec for large, open areas to smaller, intimate spaces. Arms may be added to lounge chair, settee or sofa models. Occasional Tables are also part of this modular collection. Integrate power in the seating or tables for additional functionality.

Museum Bench

The Museum Bench is beauty, simplicity and elegance. Standard cut-outs or custom may be specified. Available in wood or upholstered seat.

Museum Bench

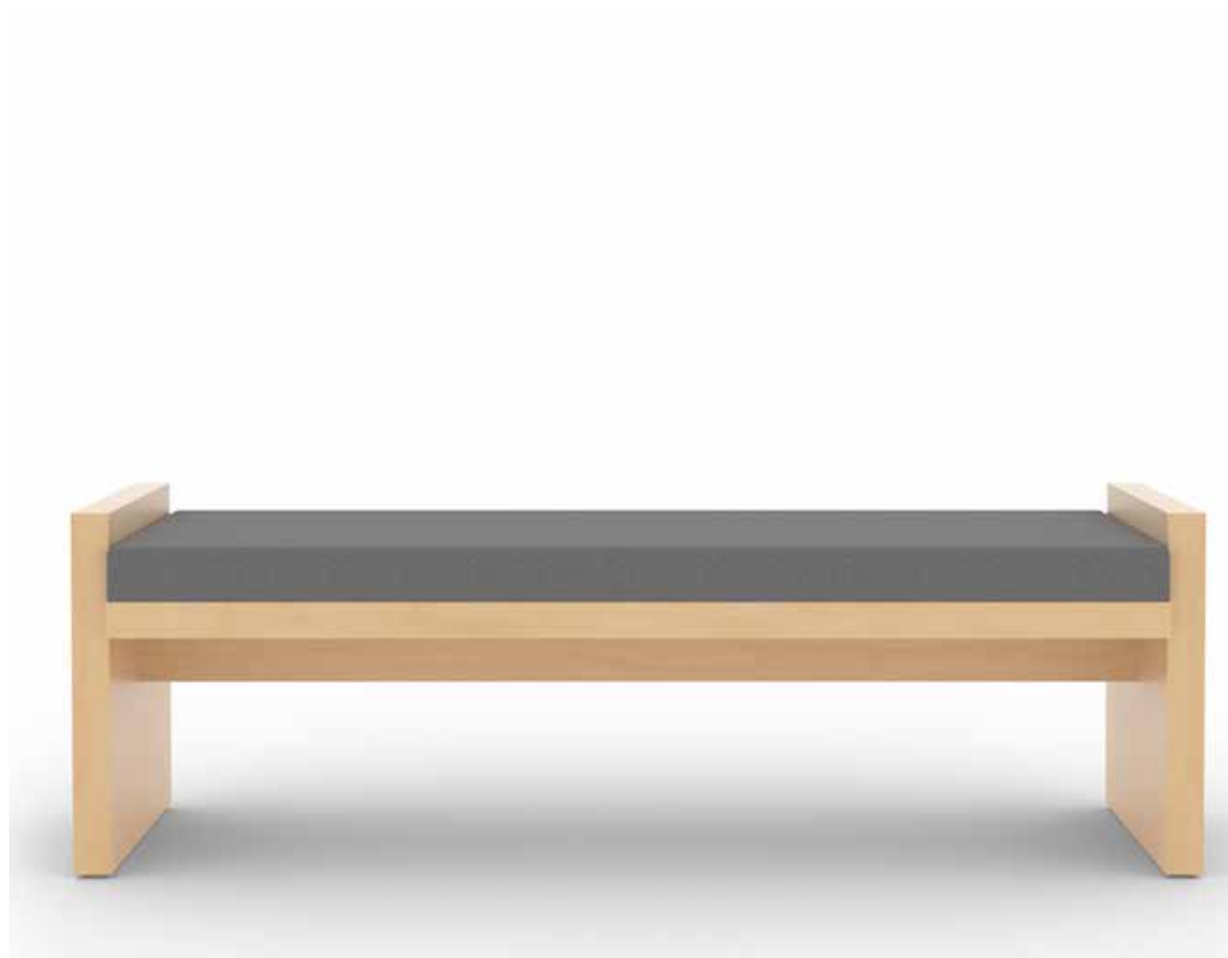

- W 36" D 20" SH 18"
- W 60" D 20" SH 18"
- W 84" D 20" SH 18"

Museum Bench

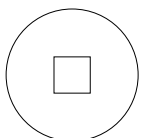

The simple lines of the Museum Bench make a perfect seating solution in museum galleries. Available with a wood or upholstered seat. Its durable construction offers a long lasting piece for heavy-use institutions. Tie in the wood finish color to your exhibit's aesthetic.

Whiteboard table on wheels

Have quick meetings with this easy Whiteboard table. Center well keeps it tidy and a go-to place to stash markers and eraser. Available with laminate or wood veneer sides. Pair it up with Whistler Ottoman Stools or Puddles.

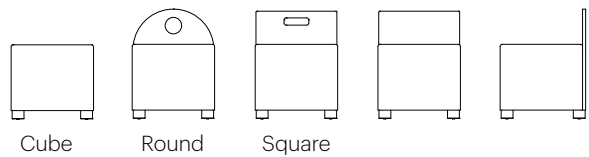

Whiteboard Table
DIA 30" OH 15½"

Zetty Adult

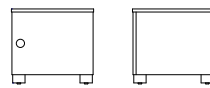

Casual and intuitively hip! Low and easy to move about for quick collaborative group work or meetings in teen and adult areas in libraries, higher ed or corporate areas. High impact, great for small footprint layouts versus large lounge spaces. The low back provides various sitting options. Sit on the side, front or straddle. Zetty Cube Table top options include maple veneer, laminate, whiteboard laminate and ImPrinted chess board. Power options also available.

Zetty Stools

Vireo

Breaking away from the corners of its sturdy legs, Vireo's rounded shell reshapes the Kestrel collection's classic elegance. Gentle strength and smooth contours emphasize the traditional beauty of solid wood grain throughout. Available with upholstered seat pad.

Vireo Chair

W 18" D 20½" H 31¾" SH 18"

EnShell

Combining the warmth and beauty of wood with Forbo Marmoleum on the shell's face, the EnShell Chair makes a cool and stylishly ecological statement. It is also a healthy, hygienic and environmentally friendly choice for healthcare, libraries, education and restaurant applications that call for a high-use, durable alternative to plastic chairs. Bases are available in black, chrome or other powder coat options (see page 117). Stacks up to 10 high. For Forbo Marmoleum selections, please see Price List. An optional handhold cut-out may be specified. Bar and Counter heights are also available (see page 82).

Flick

The lines of the Flick chair are appealingly modern and simple. The steel rod sled base supports a molded plywood shell. The base finish may be specified in black, white, chrome, or selected from any of TMC's powder coat colors. Stackable, the Flick is ideal for use in cafeterias, schools, universities, libraries and offices. An upholstered seat pad is available on all Flick Chairs, including the bar and counter stools (see page 80).

Put some personality on it!

The power of visual branding. Imprinted chairs provide an opportunity to express your individual unique brand in a captivating way. Wrap the graphic on the curved plywood in rich coloration, whether it be an illustration or photograph. For custom imagery, please refer to our ImPrinted Guide or Price List.

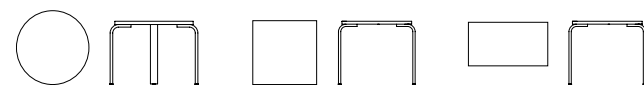

Tables

Tables from Collection 1 pair up nicely with our standard seating lines.

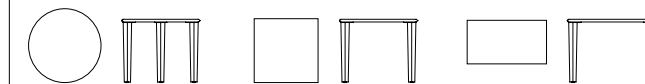

Plover Table

Plover Tables (pictured above) are very attractive and known for their iconic 1" thick curved plywood leg. A wide range of finish colors makes specifying this table a snap. Tops are available in laminate or veneer. Please refer to page 116 for edge treatment options. See our Price List for other shape offerings.

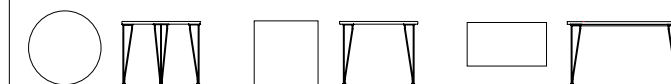

Kestrel Table

The Kestrel Table is a classic design with a North American solid maple leg that is squared and tapered. Tops may be specified in laminate or maple veneer. Please refer to page 116 for edge treatment options. See our Price List for other shape and size offerings.

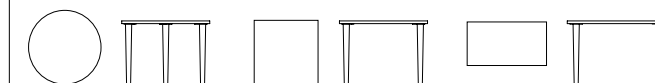

Flick Table

The Flick Table is sleek and modern. The three steel rods in each leg create visual interest and structure. Top surfaces are offered in laminate or maple veneer. Please refer to page 116 for edge treatment options. See our Price List for other shape and size offerings.

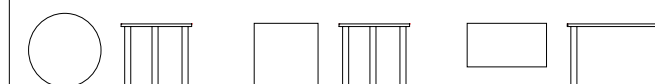

Eisenhower Table

The Eisenhower Table has beautiful North American solid maple legs, turned and tapered. Many wood finish options are available to create a warm wood tone or pop of color. Top surfaces are offered in laminate or maple veneer. Please refer to page 116 for edge treatment options. See our Price List for other shape and size offerings.

YUMA Table

The YUMA table's square steel tube leg is clean and simple. Pair it up with a variety of chair styles. Top surfaces are offered in laminate or maple veneer. Please refer to page 116 for edge treatment options. See our Price List for other shape and size offerings.

Standard Kestrel Table with 3form custom image top surface.

Also pictured Flick Square Chair.

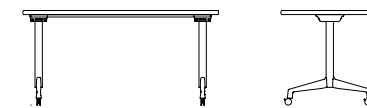

Mobile Tables

Roxy Flip and Nest Table

A sleek, modern profile with flip-top functionality. The single handle allows one person to release flipping mechanisms. Easy, durable and attractive. Available in silver or black powder coat or polished chrome legs with 2" locking casters. Tops are available in laminate. Edge styles include: laminate, PVC, maple edgebanding and solid wood. Roxy Flip-Top Table may be ganged with a steel ganging device. Integrated power options and steel modesty panels are available. The Roxy Flip-Top Table is 29" high.

Roxy Flip-Top Table

Depth: 18", 24", 30"

Length: 48", 60", 72"

FINN Table with casters

The FINN Table offers a stylish and multi-functional mobile table option for workspaces. Its 2" diameter legs, with or without casters, and an optional wire access leg, are available in a variety of powder coat finishes. The FINN comes in round, square or rectangle tops in laminate or wood veneer. Edge styles include laminate self edge, PVC, maple edgebanding or solid maple. Optional power/data available.

FINN Table 2" leg

Metal Utility

Table Collection 3 is a line of tables that provide a fast and easy solution to a number of applications. T-Base, X-Base or Barcelona are offered in a variety of sizes and colors. Bar heights are available for the X-Base and Barcelona styles.

Pictured: X-Base Tables, T-Base Tables, Flick Square Chair with upholstered seat pad and Whistler with privacy panels.

Barcelona Tables

Barcelona Tables combine a sleek pedestal base with a laminate table surface. Style with a variety of finishes and edges (see page 116 for edge details). Access power may also be added. Bar height option is also available.

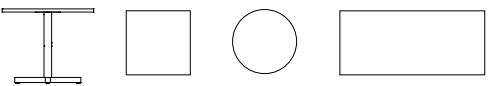

Barcelona Table

X-Base Tables

X-Base Tables offer clean and simple support with a minimal profile. May be specified with a number of powder coat options. Tops are available in laminate. Refer to page 116 for edge details.

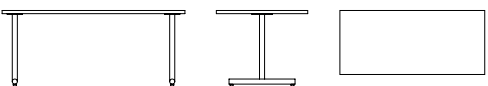

X-Base Table

T-Base Tables

T-Base Tables are perfect for meetings or dining. May be specified with a number of powder coat options. Please refer to page 116 for edge details.

T-Base Table

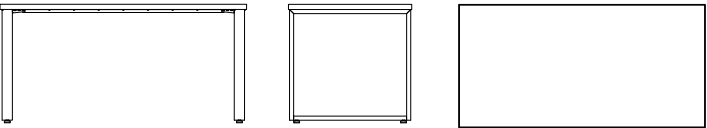

Interlochen Table

Modern, sophisticated styling, the Interlochen Tables are perfect for study, meetings or office. Tops are available in laminate and legs may be specified in White, Black or Silver. Edge styles include: PVC and maple edgebanding.

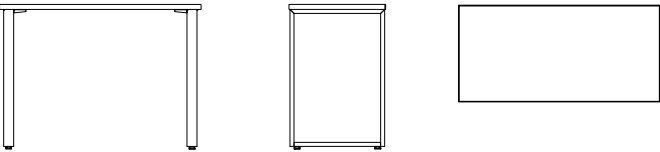

The Interlochen Tables are 29", 36" and 42" high.

Length: 48", 60", 72"

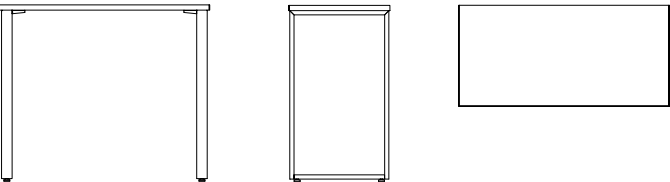

Reader Height - 29" H

Counter Height - 36" H

Bar Height - 42" H

Interlochen Counter+Bar

The Interlochen Counter and Bar Tables with clean, simple lines provide a casual work solution to a computer bar format to a place for coffee and meet ups.

Teraine Table

An elegant sweep for multiple users

Teraïne Table

Available in multiple configurations with components for power, information technology and storage. The Teraïne allows for constant flexibility and thoughtful functionality.

Uninterrupted workspace

The Teraïne offers a modern work space for collaborative or independent work.

Top surface is available in laminate.

A collaborative open workspace design allows up to a 96" uninterrupted span that does not require intermediate legs.

Thin, sleek design

A continuous beam-and-rail chassis supports an ultra-thin, ¾" beautifully crafted work surface.

Solid wood edge with top or bottom bevel or a translucent tapered edge option gives the Teraïne Table a sophisticated look.

Terraine Table

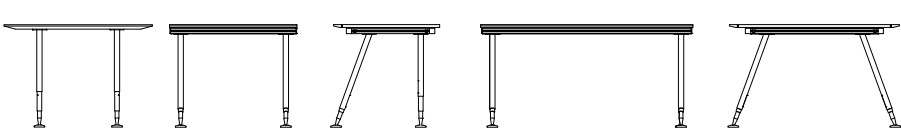

The beam system is strong and durable; it allows legs to be easily positioned and repositioned inch-by-inch for your ever-changing needs.

Configurations

Lunar Straight Leg and Lunar Angled Leg options

One hex wrench tool gives you the ability to easily assemble and reassemble the product.

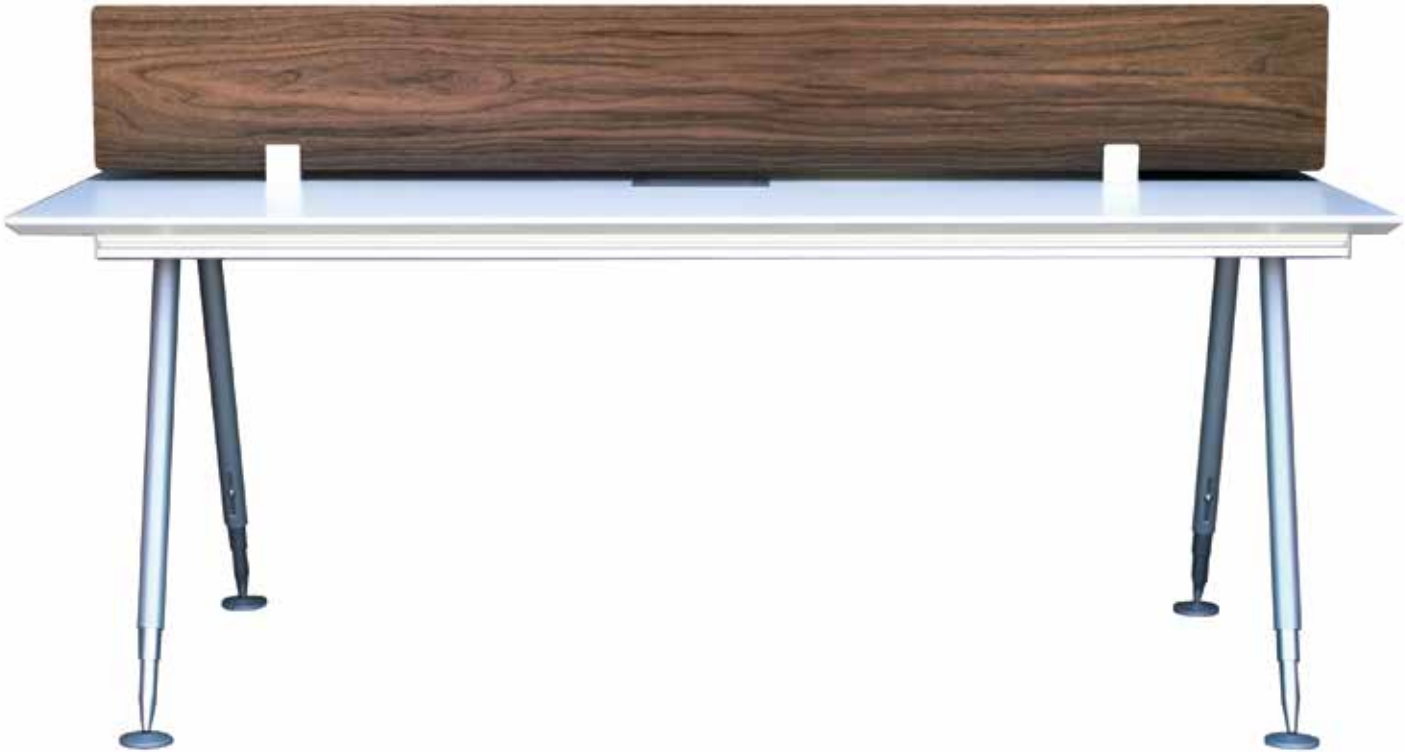

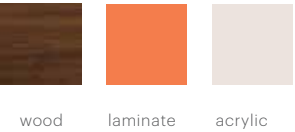

Leg height adjustment

The Terraine Table height can be adjusted from 29" - 32" or incrementally to accommodate uneven floor surfaces.

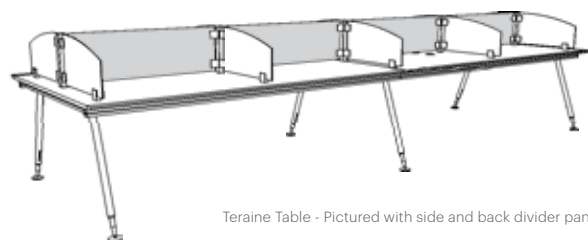

Divider panel option with metal clamps

A few options are available for the divider panels. Pictured above shows a laminate divider with a perforated pattern and stainless steel clamps. Other divider panel material options include wood or acrylic.

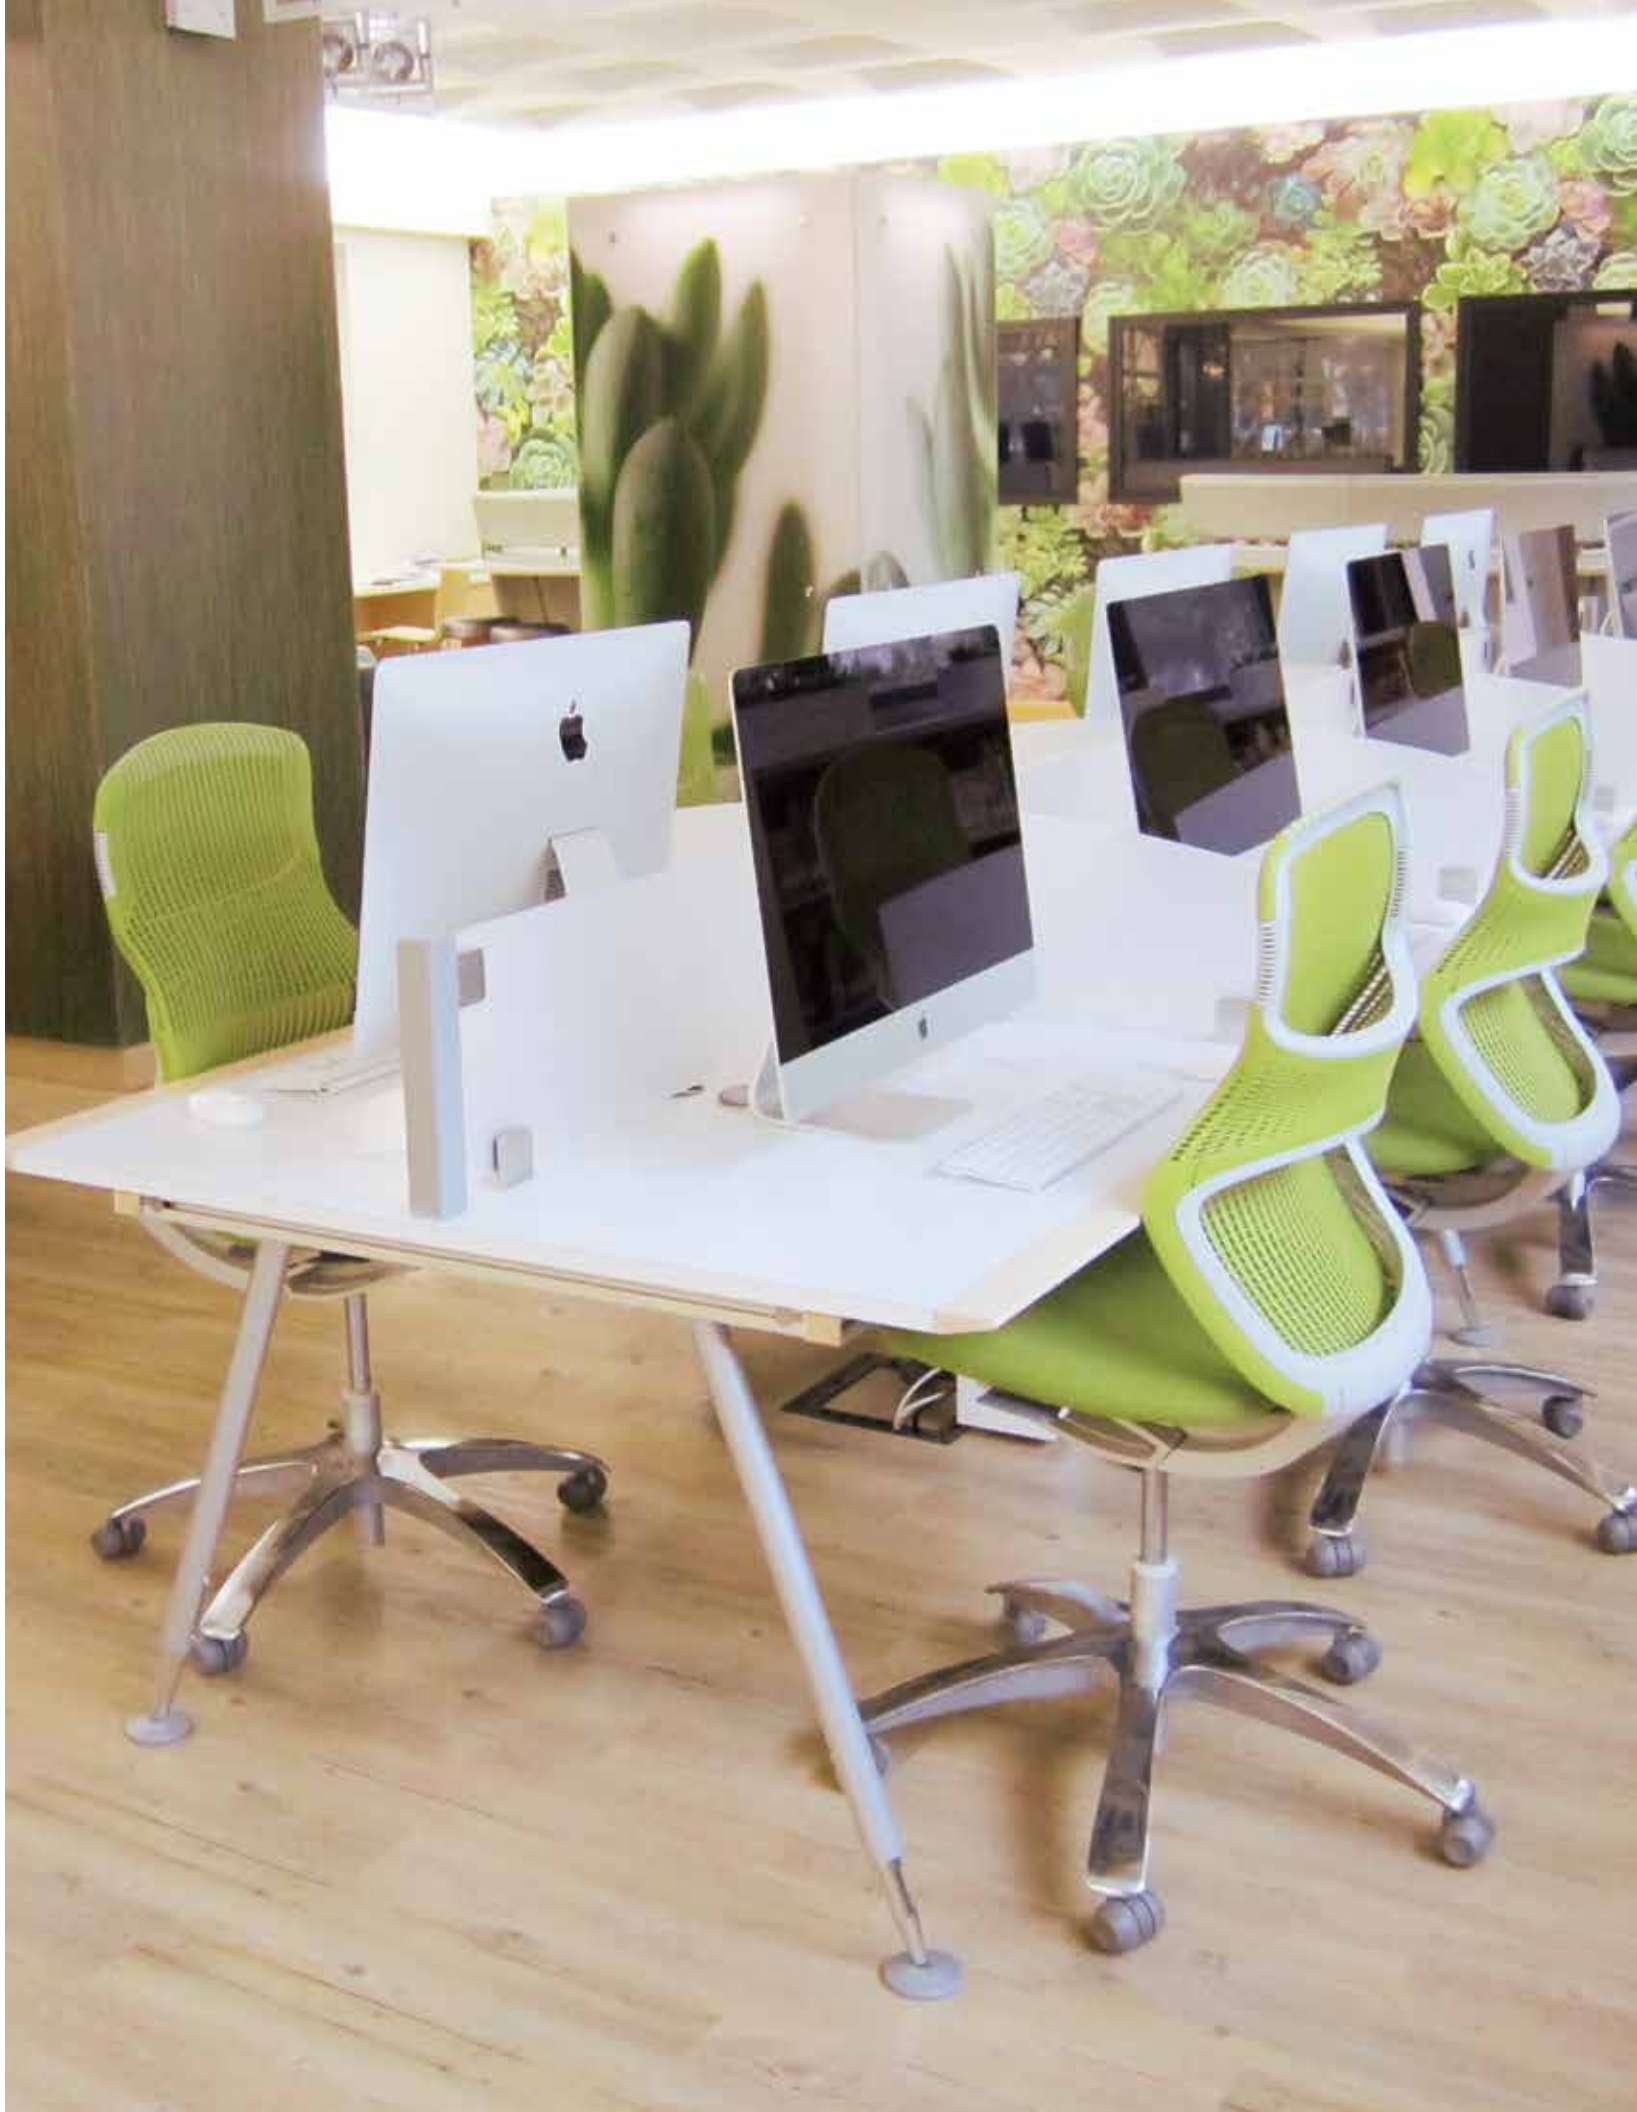

The Teraine can be specified easily. Pick from different configurations, leg styles and accessories to design the perfect Teraine for your needs. Pictured at right uses squared metal post accents creating a visual tie-in to the legs. The Teraine can be specified with a translucent tapered edge or solid wood edge with top or bottom bevel.

Work + PLAY

The **Fairfield Parent+Child Carrel** was developed in response to a common library challenge: giving parents with infants or toddlers a comfortable place to use adult computer workstations without disrupting other patrons. Working with library staff and project designers at Quinn Evans, TMC created a solution that supports focused work and family-friendly access. The result is a thoughtful example of collaboration, creativity, and inclusive design.

The **Family Workstation** was developed in response to customer feedback requesting a simpler option with a lower profile and open sightlines. It delivers the same footprint and family-friendly functionality as the original design at a more accessible price point.

Both models are available in a single- or double-faced configuration, include a wire chase, PVC-free vinyl mat, mirror and Learning Panel(s). ImPrinted imagery on the exterior side panels is optional. Models may also include a gate with latch that opens and closes.

PLAY Cart

With the partnership of Hennebery Eddy Architects, we created a companion piece to the Parent+Child Carrels: the mobile **PLAY Cart**. With locking casters and sized to fit through a standard doorway, this is a flexible version that doesn't need a fixed location and can be placed next to existing tables or seating. It offers the same safe PLAY space with PVC-free mat and high-quality elements as the full-size workstations.

At our core lies an ardent fascination with all things natural.
As a result, nature inspires our work and replenishes us everyday.
